OUR MINORS POLICY

All children under the age of 18 must be accompanied and supervised by a responsible adult at all times while on the club's premises. Any child found unaccompanied will result in disciplinary action taken against the member/guest.

Minors, or under 18s, are permitted to enter registered clubs in line with the club's rules.

Minors must:

- Remain in the company and immediate presence of a member who is a responsible adult, such as a parent or guardian, or another person who is standing in as a parent.
- Leave the club when the member does, or earlier.
- Be accompanied by an adult while using the restrooms.
- Not run through the club.
- Be respectful of all guests at all times and be mindful of noise level, language, and general behavior.
- Be respectful when using the club's facilities and furniture. No climbing on tables and/or chairs.
- Due to the risk of injury, hardballs are not allowed. Soft balls only.

Parents will be held responsible for any damage made to the club.

Management discretion applies at all times, and both adults and minors must respect and abide by management directions.

Minors aren't permitted to enter or stay in the bar area of a club or hotel, unless they are accompanied by a responsible adult and are:

- Passing through the area to gain access to another area of the club.
- Performing in the bar area as part of a show.
- Attending a wedding reception of a member (or that member's child or parent), or invited by a person entitled to issue an invitation.
